The event is supported by the Eastern Partnership (EaP) Platform IV, and the Multilateral Part of the European Neighborhood Policy Instrument (ENPI).

About info-day:

The info-day is aimed at helping participants:

- to better understand the role of ICT in Horizon 2020;
- to exchange experience of participation of EaP countries in FP7.
- to present ICT research priorities in Eastern Partnership (EaP) countries based on the findings of the project PICTURE ("Policy dialogue in ICT to an Upper level for Reinforced EU-EECA Cooperation») and the pilot actions of the project planned for 2013-2014.

This event is addressed to EaP researchers and ICT-stakeholders interested in research and innovation cooperation with EU partners in Information and communication Technologies (ICT) under Horizon 2020. ICT stakeholders from other Eastern Europe and Central Asia (EECA) countries are welcome to participate.

The conference will convene about 100 representatives of higher education institutions, research institutes, business community, national and local authorities, from Ukraine and EECA countries, and the representatives of the European Commission.
